NEWS RELEASE

DATED: MAY 3, 2006
FOR IMMEDIATE RELEASE

Gulfstaff to hold job fair hosted by the Gulfport WIN Job Center

Need work? If so, you are likely to find it at a job fair that Gulfstaff will sponsor at the Gulfport WIN Job Center on Tuesday, May 9. The all-day job fair will take place at the WIN center at 12121 Hwy 49 N in Gulfport beginning at 9 a.m..

Gulfstaff LLC, the Gulf Coast's newest personnel staffing agency, has clients hiring in virtually every job category, so this job fair should appeal to a wide range of applicants. Among the leading categories are construction jobs in both general labor and a wide range of construction specialties, as well as landscaping and custodial positions. Other openings are available in food service, hospitality, casino, transportation, light industrial, office and clerical, and retail fields. Supervisory and management-level applicants also are welcome to interview and apply.

“We want to help Gulf Coast residents get back to work in positions that make maximum use of their skills and abilities,” said Frank Yacenda, Gulfstaff Director and General Manager.

“Recovery in the area is well under way, but there is no shortage of work for good people.”

Job Fair – Page Two

Gulfstaff has both full-time and part-time temporary positions available, and also helps applicants find permanent placements. Some positions enable employees to start on a temporary basis but can lead to a permanent position if both the employee and employer are satisfied. The agency never charges the employee a fee.

“We are especially pleased to be working with WIN in conducting this job fair,” Yacenda said. “WIN is a great resource for employees and has been very supportive of our efforts to identify and place employees in jobs on the Gulf Coast.”

WIN is the job placement service of the Mississippi Department of Employment Security. Along with hosting job fairs, the service maintains current job opening listings, which can be accessed on-line or in person at a WIN center, and offers applicants a range of other resources, including career training opportunities.

Gulfstaff LLC is located at 2434 Pass Road, Suite E, Biloxi; telephone (228) 385-8848 or toll-free (877) 385-8848. The Gulfport WIN center can be reached at (228) 539-6800.
