NEWS RELEASE

**DATED: OCTOBER 15, 2006
FOR IMMEDIATE RELEASE**

Gulfstaff to hold job fair hosted by the Gulfport WIN Job Center

Gulfstaff LLC, a temporary and permanent staffing company headquartered in Biloxi, Miss., will sponsor a job fair at the Gulfport WIN Job Center on Tuesday, Oct. 17. The job fair will take place at the WIN center at 12121 Hwy 49 N in Gulfport, Miss. from 8:30 a.m. to 1 p.m.

Gulfstaff LLC is looking for quality applicants in all fields. Of particular interest are skilled and reliable construction workers with their own trade tools to support the company's revolutionary new Total Action Team (TM) program. The company has immediate openings for experienced electricians, plumbers, drywall finishers, masons, framers, and other skilled workers. Applicants from Jackson, Hancock, and Pearl River counties are especially welcome.

Also in demand are applicants who are seeking employment in the casino and hospitality industries, as well as job seekers in a range of other fields such as office and light industrial work.

“We have gotten an incredible response from homeowners seeking to rebuild from Hurricane Katrina, and the only thing holding us back is the need for skilled workers to meet the demand,” Gulfstaff Director and General Manager Frank Yacenda said. “This is the first real alternative thousands of homeowners have gotten, and they are responding enthusiastically.”

Job Fair – Page Two

Gulfstaff has both full-time and part-time temporary positions available, and also helps applicants find permanent placements locally as well as nationally through its network of placement firms. The agency never charges the employee a fee.

“We are pleased to be working with WIN in conducting this job fair,” Yacenda said. “WIN has been very supportive of our efforts, and all the WIN offices in the region have been assisting us to identify and place employees in jobs on the Gulf Coast.”

WIN is the job placement service of the Mississippi Department of Employment Security. Along with hosting job fairs, the service maintains current job opening listings, which can be accessed on-line or in person at a WIN center, and offers applicants a range of other resources, including career training opportunities.

Gulfstaff LLC is located at 2434 Pass Road, Suite E, Biloxi; telephone (228) 385-8848 or toll-free (877) 385-8848. The Gulfport WIN center can be reached at (228) 539-6800.
